Description :

PDF-9f691 | It seems safe to say that most Americans whose roots are not in Italy consider pasta the foundation of Italian cuisine (with the possible exception of those who don't see beyond pizza). There's justification in that, of course: In Italy pasta is indeed ever present, in hundreds of forms, served alone and in combination with just about any edible meat, plant, or seafood one can think of, and with a... *Cooking Rice with an Italian Accent!*
