Description :

PDF-6f875 | Country kitchens bring together all the things that make living in a rural setting appealing. Their layouts show an evident first-hand contact with local products; their design expresses the inspiration nature provides for their endless range of textures and colors. Country Chic Kitchens is an up-to-date and essential reference for the creation and design of these spaces dominated by a look forged... *Country Chic Kitchens: A Precious Guide to Italian Style and Cooking*
