Description :

PDF-f9229 | Wine books typically fall into two categories: those that are 1,000 pages and cover every acre of grape growing across a particular country, and those that try to squeeze the same amount of information into a smaller number of pages. While there's a place for those books, we believe an introductory study of wine can be achieved without committing to an academic, encyclopedic read or bulling thro... *Decoding Italian Wine: A Beginner's Guide to Enjoying the Grapes, Regions, Practices and Culture of the "Land of Wine"*
