Description :

PDF-5685c | With information on siting, planting, tending, harvesting, processing, and brewing It's hard to think about beer these days without thinking about hops. The runaway craft beer market's convergence with the ever-expanding local foods movement is helping to spur a local-hops renaissance. The demand from craft brewers for local ingredients to make beer?such as hops and barley?is robust and... *The Hop Grower's Handbook: The Essential Guide for Sustainable, Small-Scale Production for Home and Market*
