Description :

PDF-040f0 | Author and entomologist Clifford P. Ohmart brings reason and clarity to the politically loaded and amorphously defined popular world of sustainable viticulture with this unique and comprehensive examination of the subject. View from the Vineyard does much more than explain what “sustainable” means, its practical importance to the wine industry, and the costs of agribusiness as usual. It provid... *View from the Vineyard: A Practical Guide to Sustainable Winegrape Growing*
