Description :

PDF-6289c | California wine regions have become vastly more complicated since Napa Valley was officially recognized as an AVA (American Viticultural Area) in 1981. There are now 108 AVAs as more winemakers define themselves by regional differences in addition to grape variety. Whether you're learning about wine or a fan of California wines, this map is an essential reference. Accurate - extensively researched... *Wine Map of California*
